OFFICE OF

THE CITY IMPROVEMENT TRUST BOARD

Banga Vilas', Seshadri Road,
Bangalore.

Date March 12, 1946

To

J B MALLARADHYA, Esq, M.A.,
Secretary to the Government of Mysore,
Revenue Department, Bangalore

Sir,

M 149-45-63

I have the honour to state that in connection with the disposal of subjects relating to improvement schemes that come up for consideration before the Board, spot inspections become necessary sometimes. On a previous occasion, the use of the Propaganda Van of the City Municipality was availed of through the courtesy of the Municipal Commissioner when a request was made for the second time on the 16th February 1946 to send the Van to the Board Office for spot inspection, the Municipal Commissioner wrote to say that it may not be possible to make the Propaganda Van available whenever required by the Trust Board and that it would however be spared on the 21st and 22nd February as desired, provided the petrol charges were paid in addition to the hire charges at Rs 5/- per day (copy of Municipal Commissioner's letter is enclosed). This was agreed to and the Van was made use of on the 22nd ultimo.

" In reply to your D O letter No 1045 dated the 16th instant, I write to state that it may not be possible to make the propaganda van of this Municipality available for spot inspection whenever required by the Trust Board. However, it will be spared on the 21st and 22nd instant as desired by you, provided the petrol charges are paid in addition to the hire charges of Rs 5/- per day. On hearing from you agreeing to pay the same, arrangements will be made to send the Van to the Trust Board Office at 8.30 A.M. on the 21st of this month. "

When the subject was placed before the Board at its meeting held on 23rd February 1946, it was resolved that the Board should own a Van of its own for purposes of spot inspection by the Members and that till one was purchased, the Municipal Commissioner

be requested to spare the Municipal Van for the purpose on the conditions specified by him. The extract of the Board's resolution in this behalf is appended below

I request that in the circumstances, sanction of Government may kindly be obtained to the arrangement made with the Municipality in the matter of obtaining the Municipal Van for spot inspections by the Members of the Board, the expenditure on this account being debited to the contingencies of this office.

I am asking the Municipal Commissioner ~~xx~~ separately to let me know the price paid for the van in use in the Municipality, and the Firm from which it was purchased. On receipt of information on these points from the Municipality, it will be placed before the Board and their decision as to the purchase of a Van for the use of the Board or otherwise will be intimated to Government.

"Resolved that the Board should own a Van for purposes of inspections, etc, that an estimate of cost therefor be obtained and put before the Board as soon as possible and that till then, the Municipal Commissioner be requested to spare the Municipal Van on the conditions specified in his letter".

I have the honour to be,

Sir,

Your most obedient servant,

CHAIRMAN,

City Improvement Trust Board,
Bangalore

YER.
